A Message from Mayor Jay Tibshraeny

"Spring is the time of plans and projects."
 – Leo Tolstoy

I'm sure Tolstoy's springs were quite welcome after a long Russian winter, and here in Chandler, spring is one of my favorite times of year. The weather provides a great opportunity to do a little spring cleaning – and that includes a new fitness routine. If you do not have a regimen, think about starting

one. Or, make a few changes to your existing practices to keep things fresh and interesting.

Warmer temperatures afford the perfect opportunity to hit the many recreational amenities we offer in our community. Trails, sport courts, golf courses, recreation centers and more are yours for the taking. This issue of Break Time is the perfect road map to get you started. Within these pages are literally hundreds of activities for people of all ages. Take a few minutes to explore all we have to offer and start making your plans today.

We are also organizing another wellness fair to help you coordinate your efforts toward a healthier body and mind. The 2nd "Health Connect" expo will take place on Saturday, April 12, from 9 a.m. to noon, at the Tumbleweed Recreation Center, located at Tumbleweed Park (the southwest corner of McQueen and Germann roads).

Just like last year's popular event, this free, family oriented health and fitness expo will include dozens of vendors, speakers and demonstrations. I want to thank our co-sponsor, Dignity Health (Chandler Regional Medical Center), for helping us plan the day again. Activities will include dance and cooking demonstrations and a spin class!

For more health tips, visit www.chandleraz.gov/connect; or follow me on Twitter @jaytibshraeny. Spring is in the air Chandler, let's get healthy!

Sincerely,

Jay Tibshraeny
 Mayor

For more information on any of the below policies, applications or permits visit www.chandleraz.gov/recreation or call the main switchboard.

Advance Registration Codes

Any class or activity that includes a registration code after or beneath its description, such as the example below, denotes that advance registration is required. An activity or special event without these codes signifies that it is open for drop-in participation, which may or may not also include a fee, depending on the program. *Sample: 250TW.304 (indicates advance registration is required)*

Cancellations of Classes/Programs and Refunds

• City Initiated

The City reserves the right to cancel any program due to insufficient enrollment. Early registration is encouraged to help prevent course cancellation due to an apparent lack of interest. If a class or program is cancelled, you will be notified and offered an alternative choice, if available. If no alternative is available, a full refund or credit on account (your choice) will be issued within 30 days. The City also reserves the right to cancel, postpone, combine classes, change rooms, or change instructors, as needed.

• Participant Initiated

Recreation: If you wish to cancel your class or program enrollment, you must notify the Recreation staff at 480-782-2727, 480-782-2640 or 480-782-2900 at least 48 hours PRIOR to the class start date for a full refund. Less than 48 hours notice results in a 50 percent refund. Refunds are not available after 50 percent of the course/class session is complete. Supply fee refunds will be pro-rated based on attendance, unless otherwise stated on the registration receipt.

Aquatics: If you wish to cancel your Aquatics program enrollment, you must notify the Aquatics office at 480-782-2756 or 480-782-2753 at least three days PRIOR to the class/program/session start date for a full refund. Less than three days notice will result in 50 percent of the class fee refunded. At the start date of class/session, no refund is issued. This refund policy does not apply to Aquatic Certification Courses.

Check Return Policy

A \$25 service charge will be assessed on returned checks.

NEW REGISTRATION MANAGEMENT SYSTEM COMING IN 2014!

Dear Customer,

The Community Services Department will be implementing their ACTIVENet software, a hosted solution, for the 2014 summer registration. This new software program will replace our existing registration and reservation software system that allows customers to register for activities, rent pavilions, ball fields and other services offered. The implementation of this new software system will be a phased plan. The transition to the new software will require all customers to set-up new customer accounts (address, phone number, family members). Please see page 11 for a sample screen shot of registration set-up. More information on this exciting project to come.

CHANDLER NAMED "PLAYFUL CITY USA" FOR SEVENTH STRAIGHT YEAR!

On May 7, 2013 Chandler was one of 217 communities across the country that received the Playful City USA designation from a national non-profit organization dedicated to bringing play back into children's lives. The organization, KaBOOM! recognized Chandler and other cities who put their children's well-being first by recognizing the power of play. A primary goal of Playful City USA is to encourage cities to share creative ideas, concepts and programs in an effort to increase play opportunities for children.

Chandler was one of **16 communities** that received recognition for the **seventh consecutive year** and one of 16 Arizona communities to be honored this year. KaBOOM! recognized Chandler for developing a joint-use, intergovernmental reciprocal agreement with the Chandler Unified School District to use each other's facilities for recreation activities.

Online Registration FAQs

What is online registration?

Online registration allows customers to register via the Internet for most of our classes and programs. The system is available to residents 24 hours a day, seven days a week, except during times the system will be taken down for maintenance (Wednesdays between 7 and 11 a.m.).

How do I use online registration?

Individuals wishing to use our online registration technology must have an approved online account, which includes a login name and password. This account must be in good standing with the Community Services Department. If you have an account established, please follow the registration steps listed on page 15.

How do I request an online account?

Please go to www.chandleraz.gov/registration and click on "REGISTER NOW!", then click the red text that says "Click here to set up a new account for ONLINE REGISTRATION". This will take you to the New Account Request. Complete and hit "submit". All fields must be complete in order for us to approve your account. The Community Service Department will approve or deny accounts Monday through Friday, between the hours 8 a.m. and 5 p.m. It is important that new account requests are submitted in a timely manner to ensure accounts are active for the start of the next registration period.

Once your account is approved, you will receive an email confirming your account has been approved and will include your customer I.D. number and customer login name. If your account is denied, you will receive an email explaining the reason for the denial. If your account is approved, you are ready to log on and register.

In order to ensure proof of residency, staff will conduct periodic random checks on customers' information. Individuals providing fraudulent information to obtain services at residential fees when there is no proof of Chandler residency will be denied an account or dropped from activities with no refund.

What web site address do I access to register online?

www.chandleraz.gov/registration

What if I forgot my login name or password?

Call 480-782-2640 between the hours of 8 a.m.-5 p.m., Monday through Friday and we will be happy to assist you. Please plan ahead and call before registration starts so that we may assist you promptly. If you wait until registration opens on February 1, we may not be able to assist you before the start of registration.

What if I do not have an email address or home computer?

You may visit any of the four Chandler Public Libraries to set up your free personal email account. A reference librarian can assist you. We also have scheduled our registration to start at 10 a.m., which allows individuals without computers to go to a public library or other agency and use their computers. For more information on how to establish a free email address, call 480-782-2803.

Do I need a credit or debt card to use online registration?

Yes. In order to complete your online transaction(s) and confirm your enrollment, you must pay by credit card or debit card. The City of Chandler currently accepts Visa, Master Card and American Express.

Why doesn't my registration work online?

There could be a number of reasons:

- The class is not open for registration at the time you are trying to register.
- Some classes require special registration data and, therefore, are not available for online registration. Classes that are not available for online registration will have a symbol of a crossed-out computer by the class description.
- You have not properly logged into your account.
- The system is temporarily unavailable due to a large number of users at the same time or system maintenance. The City of Chandler addresses maintenance issues every Wednesday from 7-11 a.m.
- You or your child do not meet the minimum age requirement for the class. He/she is either too young or too old for the class.
- You have not completed (paid) your transaction.

Do I need to sign a liability waiver?

Yes. There will be a liability waiver at the bottom of your registration receipt. It is your responsibility to sign the waiver and turn it in to the instructor on the first day of class.

What should I do if my email address has changed?

Please notify us if you have changed your email address. Call 480-782-2640, or send an email to ParksAndRec@chandleraz.gov with your new address.

Can I manage my online account?

Yes. You can view your account activity (schedules, deposits, prior transactions), personal information, other service and account payments.

Chandler Pool Rules & Regulations

- Pool Manager and lifeguards have complete authority in the pool. Please remember, lifeguards are on duty to provide a safe environment and respond and assist with aquatic emergencies. It is the parent or guardian's responsibility to watch their child at all times.
- No cash refunds. Please understand we may not always be able to communicate at the admission window situations that are occurring in the pool (i.e., fecal incident, emergency situation) prior to you entering the facility. If you request a refund, a Free Pass will be issued in lieu of cash refund and can only be issued by the Pool Manager on duty. This may require a long wait while the Pool Manager resolves the more critical issue that increases water-related illnesses or public safety.
- Children 7 and under must be accompanied by a responsible teenager, 13 years or older, or adult.
- Children who are not potty-trained must wear swim diapers at all times at all Chandler aquatic facilities. Please change diapers frequently in the bathroom facility.
- Flotation devices and water wings are prohibited unless U.S. Coast Guard approved.
- Feet first entries only in water less than five feet. Diving head first into water less than five feet may cause severe spinal cord injuries.
- For the protection of all our guests, the use of cameras, cell phone cameras, video recording devices and equipment with digital photography capability is prohibited in our bathroom/locker room area. Video recording and photography of any kind within the pool area must be approved by the Pool Manager.
- Parties of any type are prohibited during public (recreational) swim hours unless booked and paid for through the City's contract concessionaire.
- All aquatic facilities are smoke-free (smoking is strictly prohibited in aquatic facilities located on school sites, even outside the aquatic center and parking lots).
- We ask all guests to shower and use the bathroom before entering and enjoying the pool.
- Guests who are sick or ill (diarrhea, incontinent, vomiting) are asked to visit after they have recovered at least two weeks from their illness.
- Guests with open wounds, sores, inflamed eyes, colds, nasal or ear discharges, boils or other acute or obvious body infections, or cuts shall be excluded from entering the facility.
- There are different procedures that must be followed (according to Maricopa County Health Departments fecal incidents regulations) for solid and liquid fecal incidents. All fecal incidents require the pool to be cleared for a minimum of 30 minutes in order to remove and treat the incident appropriately. To avoid the pool being shut down for a 24-hour period, please make sure children who are not potty-trained wear swim diapers and please do not bring sick children to the pool. We want to keep all guests healthy and safe.
- Please keep gate(s) closed – do not prop open.
- Please observe all safety regulations.
- Guests are allowed to wear t-shirts to protect their skin from the Arizona sun. Please wear a clean shirt.
- Any guest entering the pool, swimming or not, is required to pay the admission fee.
- The City restricts the type of food and beverages that customers can bring into our facilities. There are also restrictions on the size of coolers that can be brought into Chandler aquatic facilities. **Please see the Outside Food and Beverage Policy at www.chandleraz.gov/aquatics.**
- No alcohol or glass containers are allowed.
- Riders must be 42" in height to ride the main water slides. Only children under 42" are allowed to ride toddler slides. Drop slide riders must be 48" in height.
- There are additional rules and regulations posted at each aquatic center. Please review these regulations when you visit any of our fantastic facilities.
- **Please see the Inclement Weather Policy on this page.**

Playtopia is an ideal place for imaginative play and it attracts families from all over town. The parking lot is located south of Germann Rd. on Hamilton Street, one-quarter-mile west of McQueen Rd. Playtopia consists of three distinctly themed components:

Farm Land

Numerous slides, bridges and climbing features designed to incorporate the farm life theme. Almost all of the Farm Land play equipment is under the protective shade provided by a large red barn canopy.

City Land

An urban-themed landscape with paved streets, street signs, lampposts and vehicles you would find in any big city. In addition to offering climbing, riding and sliding structures for kids, City Land streets are great for riding tricycles and small bikes.

Critter Land

Children can hop on the back of a massive Gila Monster, walk through giant tortoise shells and get down-and-dirty digging in the dirt to discover dinosaur bones. It's a great place for kids to explore and climb and expand their minds.

And there's more!

Playtopia amenities include swings, benches, restrooms, barbeque grills, sand volleyball, horseshoe pits and 14 covered pavilions with picnic tables and seating that can be reserved for your family or corporate gathering.
