

You are Invited!

Be A Part Of The Annual Chandler/Tainan Sister Cities Program

You are invited to become part of the new Sister Cities partnership between the City of Chandler and Tainan City, Taiwan. This is an opportunity to develop a longstanding bond with the people of Tainan as our community explores the cultural, educational, and economic development opportunities with our new Sister City. The relationship began two years ago with the first Chandler/Tainan Little League Exchange and is being solidified through a formal Sister Cities International agreement. This relationship will not only continue the Little League Exchange but will also allow for additional student exchanges and cultural programming.
